**Key Information**

- All communication with the student will be via email, and to their @dundee.ac.uk email address.
- If the student is entering a programme on a January start date, rather than September, they are not eligible to receive this bursary.
- If the student is a Nursing student, they are eligible for either Academic Excellence Bursary **or** The Discover Nursing at Dundee Bursary, not both. If the student is awarded the Academic Excellence Bursary in Year 1 but fails to meet progression criteria into Year 2, then they will be allocated the Discover Nursing at Dundee bursary in subsequent years. Due to the semester dates for Nursing students, we will let all students know by the end of October in the academic year if this applies to them.
- Payment of this bursary will be suspended during a period of approved leave of absence (temporary withdrawal of studies) where this period covers a whole academic year and may be reinstated on return to fulltime study. The bursary will also be suspended for periods of leave of absence that cover part of the academic year and will be reinstated on return to full-time study. On return to study, the student will be entitled to the balance of the bursary for the level.
- Any repeat years of study will be reviewed by our Student Funding Team, in consultation with the School.
- The University reserves the right to withdraw the bursary immediately and without notice where the student is determined by the University to have misled the University about any aspect of eligibility to receive the bursary.
- If the student withdraws from the programme, they must notify our Student Funding Team that they are no longer enrolled at the University of Dundee. Under any such circumstances, the University shall be entitled to seek repayment of any portion of the bursary which may already have been paid to them and they will no longer be entitled to any further payments.
- The University of Dundee will not back-date any awards, and all awards made will be current and apply to the student in the current academic year.
- The Academic Excellence bursary can be held in conjunction with other awards, if the programme of study permits - for example, the RUK Bursary and the Discover Dundee Bursary.
