Hello and welcome to Dundee!

Firstly, thank you for choosing West Park Flats and Villas to call home this year; we want to ensure you get settled in as quickly and easily as possible. This booklet should help as it contains everything you need to know about living here. You will find answers to many of our frequently asked questions including reporting repairs, communal living advice, personal safety information and – most importantly – how to keep your new home clean and tidy.

These halls of residence are owned by the Dundee Student Villages (DSV), while the University is your landlord and looks after your rent and welfare, the day-to-day management of these residences is handled by us, Sanctuary Students. We are here to help you and we hope your

time with us is an enjoyable one.

We suggest reading your offer of accommodation again as it may have been some time since you agreed to it and provides a full list of your obligations, as well as those of Sanctuary Students and the University. It is also available to you on the University's e-vision system.

If you have any questions or concerns about the residences during your stay, please get in touch with the on-site team. You can do this by popping to the office or giving them a call or sending an email.
